Phath Chengkeang

Information Technology

Here's a shorter, professional version of your profile:
Motivated IT student at Norton University with skills in software development, web development, and database management. Experienced in building academic projects using SQL, Flutter, and PHP, with proficiency in phpMyAdmin, GitHub, and AI-assisted development. Passionate about problem-solving and eager to contribute to a professional development team.

Experience

"I understand that my lack of formal experience maybe a concern but I would like to assure you that I am a quick learner and eager to take on new challenges and opportunities."

Education

High School Diploma 2011-2020
Bethel High School | Kampong Cham

Bachelor of Computer Science 2023-present
Norton University

High School Diploma
Samdach Chuon Nath High School | Kampong Cham 2020 – 2023
